May Risk Love Focus: Westminster Rescue Mission

We love partnering with the Westminster Rescue Mission. The mission provides a long term, faith-based, residential recovery program to help men who are bound by addiction find life in Christ. The Mission also provides rehabilitation, job skills, counseling and teaching about Jesus. Not only are they helping these men, the Mission is feeding thousands of people in the community. NEW THIS MONTH: the Westminster Rescue Mission will place a **donation bin** in the north parking lot on our campus! You can support the mission by dropping off gently used clothing and small household items in the donation bin. Make loving your neighbor part of your lifestyle, all year long!
