

July EVENTS

Women's Ministry

Summer Live Teaching Bible Study is *Galatians: Freedom to Grow in Christ*.

We live in a culture that constantly tells us that we are not enough, that our faith is not enough and that our God is not enough. Though we know this isn't the truth, it's easy to feel the weight and pressure from these messages. In this 7-week study, we'll unwrap the truths and reminders that God has for us in the book of Galatians. Meets Tuesdays at 7pm in the Underground starting **July 11**.

Celebrate Recovery

At CR LifePoint, we work on many struggles but have just one hope: Jesus Christ. With His help, this international program, developed over nearly 25 ago, has incredible, consistent success in breaking the chains that hold people captive in their unique hurt, habit or hang-up. Meets Thursdays in the Underground, 7-9pm. For more information, contact celebraterecovery@lifepointchurch.us.

Are You Ready?

Are you looking to connect, meet new people, and serve others? Come to Square One in the lobby after any service, and our serve coaches will help you discover where you can connect through serving at LifePoint.
