SEPT: First Fruits Farm

You're invited to take part in a local ministry of feeding the hungry. First Fruits Farm has a very simple mission: grow food and give food. Come pick apples and harvest potatoes, tomatoes, green beans, pumpkins and more. Bring your small group, your family, your co-workers, or your neighbors. No group is too large or too small — even a couple of hours helping with the harvest will go a long way. To schedule your harvest time, look for the link on the church website or go directly to firstfruitsfarm.org.
