TODAY'S SERMON:

## Come Out Fighting

Joe Paschal,  
*Pastor of Mobilization  
& Outreach*

when the bell rings  
**come out  
fighting**

We are all in a fight—every day. This is not the kind of fight where we hurt people or use guns. It's much bigger than that, and yet, many of us are too distracted to even notice the battle going on. In this battle, some of the frontlines are in our hearts while others are external struggles. The good news is that God is on our side, and He has equipped us to win. Today we will celebrate fighting alongside our Haitian brothers and sisters for the last five years!
