CURRENT SERIES:
**THE COMMUNITY
YOU CAN BE**

PART 8:

Altogether Generous

Mark Marten, *Elder*

THE
COMMUNITY
YOU CAN BE

We're told "God helps those who help themselves." And we know that if we give things away, we'll have less. In addition, many believe what we have is ours, to be used for our own pleasure. When these false narratives are combined, they form a powerful argument against generosity. Today we'll explore a different point of view and discuss why we should be altogether generous.

Notes:

Discussion questions are available on the "Sermons" page on our website or by using the YouVersion Bible App.
