

Simplify

Faith can seem...complicated. And your teen has grown up in a world designed for convenience and simplicity. Don't we love when things "just make sense"? So, why doesn't faith seem to work that way? In this 4 week series on The Greatest Commandment, we'll discover that Jesus came not to complicate, but to simplify faith. And we'll see how His simplified perspective changes everything for us.

ENGAGE IN EVERYDAY MOMENTS TOGETHER

Morning Time

As your teen starts their day, remind them that you are their biggest fan.

Their Time

Strengthen your relationship by adjusting your plans to show up whenever they need you—and without making them feel guilty about it.

Meal Time

At a meal this week, have everyone share a way that someone was there for you when you needed them.

Bed Time

Pray that both you and your teen will remember this one truth in all situations—God is for you. He has your best in mind—even if we don't know what our best is.
