## WHAT HAPPENS WHEN I GIVE TO LIFEPOINT CHURCH?

At LifePoint Church, giving is an act of worship that expresses our trust in and dependence on God. We serve a generous God who gives to us freely out of his glorious riches. Donating financially is one way we can give back to him and to serve others.

Partnering with LifePoint Church through financial giving helps us fulfill our mission of influencing people to find and follow Jesus. Your generosity results in children, students, and adults who were once spiritually lost or searching becoming “found” by God’s grace. Your financial gifts also help people grow in their faith as they seek to follow Jesus throughout their life.

Your financial generosity also helps support the good work of LifePoint’s local and global partners through the Baltimore and Carroll County regions and around the world. When we give to further God’s work, He is able to multiply our gift and do more with it than we could ask or imagine.

## IS LIFEPOINT CHURCH A 501(C)(3) CHARITABLE ORGANIZATION?
